The Kennedy Estate

The Kennedy Estate is a beautiful home with a 7/12 roof pitch and nine foot flat ceilings. There is a front elevation bump out to separate this home from the rest. It has the feel of a Victorian home with all the traditional amenities. White pillars, ceiling cove and trim, and accented with six panel interior doors. The old fashioned archway dividing the sitting room and the formal dining room also adds to this Victorian feel. This home has been decorated in a formal fashion, however you can make this home a true dream home whether you're informal or formal. There is a drywall fireplace with glass alcove shelves to display all of your personal treasures. The kitchen sets this home apart with the beautiful staggered cabinets with the braided crown molding. This is the perfect home for entertaining. Let your guests marvel at its beauty.
